**To Charli's Angels - Happy Anniversary!** by Dr. Charli Caraway, Board Member

When I was young, Hollywood brought forth a new dynamic in crime fighting via our console television - *Charlie's Angels*. These confident young women, led by the faceless voice named Charlie, used their skills and talents to discover and protect truth despite their previous circumstances. They were always serving and selfless. Skip ahead 25 years. Although I have lived to see some beautiful works of God, and felt the love and protection of His angels on many occasions, this month marks a special time in my life story. One year ago, I was blessed with a new set of angels! These angels may not have been movie-star beautiful on the outside, but I have discovered their inner light shines more beautiful than any ravishing Hollywood smile. They live at the House of Disciples and they, too, are fighting daily in battles that Hollywood cannot duplicate.

I have watched these men, my angels, battle addiction, broken families, generational curses and battle in spiritual warfare. They are waking up daily, training in the word, putting on the Armor of God, and learning to defend Truth. They are building a mighty army to protect and defend the underdogs, the saints. By doing so, they are ministering to men and women like me who have the ultimate blessing of spending time with them in training. In a world where violence, hostility and disrespect roam our streets and sidewalks like average family pets, I am always greeted with love, kindness and respect by these men. Here, amongst men whom society has labeled and rejected, I am a lady and a friend. My cup of joy is overflowing each

time I leave our weekly bible training time. It never fails that when I come to teach I end up being the student! The old television drama was always predictable. Each week three women would tackle evil and corruption. They would study their enemy and bravely move forward to make wrongs right again. Then, at the height of the conflict there's always the threat that things would not turn out as they planned. But, through a sense of greater purpose and dedication they would rise above the conflict. The last scene was always the "angels" sitting as a group in the last 30 seconds of airtime receiving accolades from "Charlie". This month allow me to take 30 seconds!

My angels are always there at the House of Disciples - getting ready to battle the enemy. They are girding themselves with truth; putting on the breastplate of righteousness; shodding their feet with the gospel; taking up their shield of faith; putting on the helmet of salvation; and brandishing the sword of the spirit. They are, like true knights, ready to battle for all the saints - me included. I see a band of men that are rising above their circumstances and allowing God to change them into angels of mercy with hearts of valor and courage. I have heard them say they are "the least of these" (Matthew 25:40). But, through Jesus, they are becoming greatest of these. So, to the gentleman at the House of Disciples - my angels - Happy Anniversary!!

**“Chippin’ for Change” Golf Tournament a success**

The “Chippin’ for Change” golf tournament, sponsored by First Baptist Church and Moberly Baptist Church, was a great success. We had over 152 golfers, divided up into teams of four. We even had our own HOD team (see photo at top). We would like to thank everyone who came out to play and to the Pastors and leaders from

the churches that organized the event. Lunch was provided by Chic’fil’a and the guest speaker was D.D. Lewis, former linebacker for the Dallas Cowboys. Mr. Lewis signed autographs and gave his testimony of how he overcame alcoholism after he submitted his life to Jesus Christ.

## Become a Grace Partner

In Luke 4:5-6, we read that Jesus told Peter to cast out his net for a great catch. When he did that, he had to call other fishermen in to help bring in all the fish.

Just like that story in the Bible, we need your help with the great catch that God has sent us. Together we can do more than we could have ever done

alone. Together we launch out into the deep and bring in a big catch. Be a part of something that is making an impact!

Please prayerfully consider becoming a Grace Partner. As a Grace Partner, you join with us to build, strengthen and support the House of Disciples through prayer and by committing to support the ministry with a monthly donation of

any amount. As a monthly supporter, you impact the lives of each man here at the House of Disciples.

We are calling out to you for help to bring in this great catch. Become a partner today!

For your convenience, contributions can be made online or via mail. May God bless you in return for your faithfulness.

## Congratulations Graduates

We would like to congratulate our graduates. We are excited to see what the future holds for you. We are also honored that Mud Dog has accepted a staff position with us as the Grounds & Maintenance Supervisor.

## Give Thanks

In May of 2009, the ministry was developing a list of items that we were in need of for the facility on Green Street. We began by first writing down the obvious things like a fire sprinkler system, sound system for the Chapel and enough bunk beds to accommodate the 20+ men we would house. The more we thought, the more we found we needed. Once we compiled the list of 23 items, we decided to

put them into three categories: Must List, Need List and Want List. The "Must List" was comprised of items that we had to have in order to move in. On the "Need List" were items we would need in order to do certain things and provide a service. The "Want List" had items we could wait for over a length of time. Philippians 4:6 tells us to "be careful for nothing; but in everything by prayer and

supplication with thanksgiving, let your requests be made known unto God". With Thanksgiving approaching, I pulled this list out and began going down the list. When I got to the end of it, I found that God had supplied everything on that list. We serve an awesome God! So this month, let's pull out those petitions, and with thanksgiving, thank God for His provisions.

## Baptisms in Madisonville

A spontaneous Baptism Service was held near our partner location at House of Hope in Madisonville, TX. For Daniel Staples and Brett Foster, the month of October will now always be remembered as a significant moment in their lives. Pastor Wade Phillips officiated the service. Baptism is an important step of obedience

in the believer's life. Baptism is significant in that it represents the forgiveness and cleansing from sin that comes through faith in the Lord Jesus Christ. Congratulations men, for taking the next step in your walk with the Lord and for putting your past behind you..
